You will enjoy these great condominiums. Up high, with a view that is unmatched in the whole Mammoth area. Surrounded by majestic National Forests, park your car in the garage and leave it there for the duration of your stay. Ski down to the lift in the morning and back to your door at the end of the day.

The Timber Ridge condominiums are

luxurious with award-winning interior design. The view is breathtaking from all units. After skiing enjoy the wood burning fireplace. Do your own thing in the well equipped kitchen. The recreation center has sauna and an indoor jacuzzi, pool and gameroom. In summer play tennis in clean warm air or fish at one of our many lakes only minutes away.
